

Getting to the **heart** of God's design

Marriage, the way God intended it to be, is a true art form. That's why for more than 40 years, FamilyLife® has been helping couples understand God's plan for relationships.

The Art of Marriage® weaves together expert teaching, real-life stories, humorous vignettes, and more to portray both the challenges and the beauty of God's design.

Because every family matters

FamilyLife® is a donor-supported nonprofit organization in Little Rock, Arkansas, and was cofounded in 1976 by Dennis and Barbara Rainey. FamilyLife's mission is to effectively develop godly marriages and families who change the world one home at a time.

Forty-plus years later, with over 3 million people attending events, 1.6 million weekly radio listeners, and resources in over 100 countries, we're still committed to helping one family at a time.

FAMILYLIFE® presents

the art of marriage®

Designed to be used by churches, small groups, or as a community-wide event, The Art of Marriage equips people with a passion for building godly marriages to reach thousands of couples at any time, any place.

"We just had our first The Art of Marriage® event and it was excellent! A couple who had struggled most of their 20-year marriage has actually decided to re-tie the knot! The Holy Spirit really had an awesome effect on their lives this weekend."

"It has rekindled my relentless pursuit of my wife's heart."

"This was the greatest two days with my husband! It definitely lasts more than two days. It lasts a lifetime if you use what you learn!"

Learn what over 700,000 people have discovered about marriage - happier, healthier marriages start with God's flawless design.

Available formats

The Art of Marriage® is available in two formats:
a Friday night and Saturday video event, or a
six-session small-group video series.

Small Group

Enables couples to interact with the video content in a small group setting over six weeks. The video sessions present the same biblical teaching as the Video Event, but in shorter segments. Weekly date nights enable couples to interact one-on-one through discussion questions and mini-projects.

This kit includes two manuals and DVDs. Additional manuals for couples in your group are sold separately.

Video Event

Designed for hosting locally in a church, community or home setting over a Friday night and Saturday. The six engaging video sessions are interspersed with projects for couples to complete to reinforce the lessons. A Host Guide provides instructions for planning, promoting and hosting the event. This kit includes DVDs, two manuals and a host guide.

Additional manuals for couples attending are sold separately.

In The Art of Marriage®, over 40 ministry leaders provide biblically-centered teaching while couples who have struggled in marriage openly and honestly share their stories of pain, loss, forgiveness, and grace.
